❧ School ❧ Board. ❧

The School at Centre Harbor Village was not as successful the past year as we hoped. It commenced under very favorable circumstances with a good Teacher, the Scholars showing a marked degree of interest, but sickness of the Teacher causing several delays and changes, many of the Scholars losing much of the interest shown by them at the commencement, and it was very hard for new Teachers to make the School what it would have been under one Teacher the whole year.

Of the School near the Town House, also the one near David Cram's, we can only speak words of praise for both Teachers and Pupils.

The School near Hawkins Meeting House was not quite as good as last year though the Teacher did all in her power to make it so. We hope for a better report from this School next year
